Q&A

“Our business is based, fundamentally, on the connections and relationships we cultivate with our clients.

By relying on the opinions and satisfaction of others, we work tirelessly to ensure that every client has an exclusive and genuinely good commercial experience.”

“A team that partners in the true sense **Introduce. Impress. Recall.**”

“Whether you want to create those first impressions, endure a sustained engagement or rekindle the chutzpa, all QUAD productions are custom-made to generate desired reactions from the target audience. With minds that bring experience to the table, muscle-power panning the country, and state-of-the-art production capacity, ours is a dream team that delivers videos to help your business stand apart and seal a permanent place in audiences’ hearts and minds.”

Introduce. Impress. Recall.

“To promote your product or brand in a crowded market, you need a powerful advertisement. With a passion to help your business succeed with your marketing goals, we make distinctive ad films that deeply influence customers and represent your brand thoughtfully and convincingly. A dynamic bunch of technical and creative talents in our team strives to take a soulful, meaningful, and powerful approach to execute each ad film project. We produce TVC (television commercials) which captivate the audience by using innovative content, technology, and creative skills.”

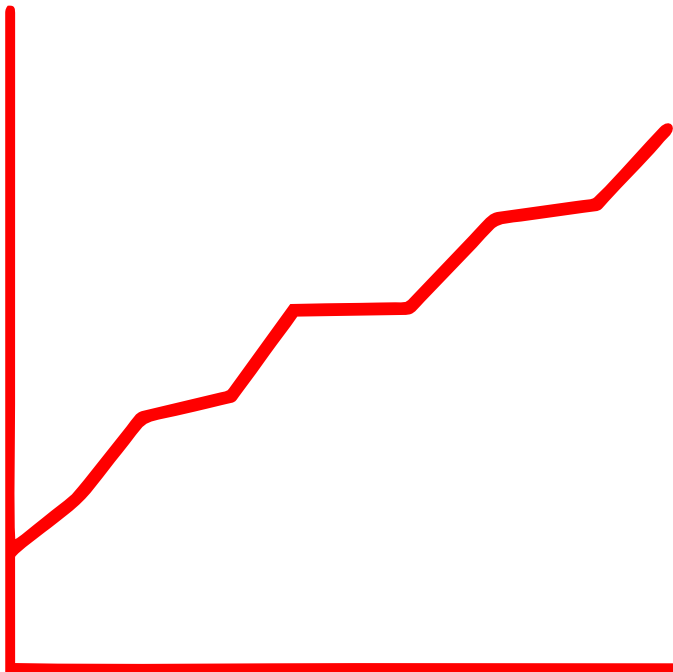

“Boost your brand image and increase your product’s sales with
Commercials”

How can a creative and well-executed ad help your brand?

Pull your brand from the me-too category and rise above competitors.

Win the battle for customer attention.

Wider reach by repurposing the ads for other social media and YouTube ads.

“Kickstart your **Big idea**
Trigger yet another disruption
Retain your **Blue Chip Position**”

“ Be it a start-up, a matured enterprise, or a giant corporate – investing in digital marketing is a hygiene factor. But what moves the cheese is the power of video. No wonder why most progressive organizations reserve a lion’s share in the marketing mix for videos. Video just not just guarantees greater eyeballs but also grabs the much-needed attention span of the audience leading to higher enquires even increased sales.”
